CE (CONTROLLED) INFANT SCHOOL

World Book Day

Last week we celebrated World Book Day and we were so impressed with the costumes that we saw the children in. We had The Hungry Caterpillar, the Snail and the Whale, Matilda and Stick Man - it was wonderful to see the children so excited and engaged. There were a few Wally's around too!

The children from different year groups enjoyed pairing up together and sharing stories with one another. It was lovely to see the older children reading to the younger children and starting to build relationships together.

Parent Workshop

Following on from the last two parent workshops, Miss Sheret will be presenting another workshop to support parents at home with 'meltdowns'. This workshop will be on Tuesday 12th March at 9:00am until 10:00am. Please let us know if you would like to attend the workshop by emailing the school office.

Collective Worship

This week in Collective Worship, we have been thinking about our favourite books. I shared some of my favourite children's books with the children, including a very old book that I used to have read to me as child!

The children thought about their own favourite books and why they were special to them.

Parents' Forum

There will be a Parents' Forum to discuss the new, updated school behaviour policy on Wednesday 27th March at 7:30pm. The forum will be held on Zoom. We will send out a Zoom invitation a few days before and will ask parents to let us know if they are able to attend.

Diary Dates for the Spring Term 2024

Tuesday 12th – Parent Workshop at 9:00am

Tuesday 12th – Year 2 Maths presentation at 3:30pm

Wednesday 13th - Year R visit from Miller's Ark

Friday 15th – MUFTI DAY for Comic Relief

Tuesday 26th – FOSM Easter Raffle and Year R Maths Presentation

Thursday 28th – FOSM Easter Bake Off

Thursday 28th 2:00 Easter church service

Thursday 28th – Last day of the term

Toys and other objects in school

There has been a significant increase in children bringing in items from home. These might be toys, trading cards or jewellery. These items can become a distraction for lots of the children and may become lost or broken.

It also causes the children distress when the staff have to ask them to put the items away or, in some cases, remove them completely.

Please make sure your child keeps their special items at home. Thank you.

Maths Information Sessions for Parents

We would like to invite parents from each year group to a Maths information session. The information sessions will take place in your child's classroom and we will offer a crèche facility for children who attend the school only. The **Year 2** Maths information session will take place on **Tuesday 12th March at 3:30-4:00pm**. If you would like your child to attend the crèche then please let the school office know please. The crèche will be offered free of charge and, as there are only limited spaces, we are asking that you do not send your child if you have not booked them a space.

The Year R workshop will be held on 26th March 3:30-4pm

The Year 1 workshop will be in April and we will confirm this date shortly.
