Harvest

The children have been enjoying a fantastic first few weeks back at school and we have all been getting used to being back together as a whole school community. In our singing Assembly, Year 1 and Year 2 have started to practise for our Harvest Festival.

On Thursday 6th October at 2:00pm we will be having our Harvest Festival at St Michael's Church. This will be for children in Year 1 and 2 and their parents. If you attend the service, please wait outside the Church until the children have arrived and are seated before coming in. This is so that we can ensure that the children are all sitting in the right places.

This year, we will be collecting harvest gifts for the Community Grub Hub. The Grub Hub have suggested the following foods would be helpful please:

- Baked beans
- Soup
- Tinned fruit
- Rice pudding
- Custard
- Jams and marmalade
- Cereals
- UHT milk
- Tinned fish and meat
- Tea and coffee

Please could you bring these gifts into school from Monday 3rd October.

Thank you in advance.

Have a lovely week,

Dot Patton

Collective Worship

In Collective Worship, we have continued to hear about the story of Joseph from the Old Testament in the Bible. The children have learnt how God was with Joseph in good times and when times were difficult.

Healthy Lunch Box

Recently we have been concerned about the contents of some children's lunch boxes. We encourage our children to eat a healthy balanced diet and teach them about what this looks like. We would encourage the children to have some fresh fruits and/or vegetables as part of their lunch.

In school the children learn about a balanced diet. In the lunch box there should be some carbohydrates (bread, breadsticks, cold pasta), protein (cold meat, fish, eggs), fruit and vegetables and dairy (cheese).

Please remember that we are nut free school and children should never bring in any products with nuts in.

Water bottles should be filled with water only and not juice!

Thank you for supporting us with this.
